**Subject: National Trust letter to Secretary Zinke Concerning Review of Bears Ears and other National Monuments**

Dan,

I've attached a letter from Stephanie Meeks to Secretary Zinke concerning the review of Bears Ears and other national monuments as directed in the President's April 26<sup>th</sup> Executive letter.

Among other things the letter raises several questions concerning process, including whether there will be opportunities for public comment on recommendations made in the Secretary's reports. Who would be the best person for me to discuss those issues with?

We be submitting a set of substantive comments on the EO pursuant to today's Federal Register notice.

And we will soon submit a request for a meeting with the Secretary.

I trust you are doing well.

Best,

Tom
